

Crack the code! 🔒

Welcome to the Veepee Quest – "Crack the code" game!

The rules for you to play:

-  1 item has been hidden in each office, it is 9 items to find though. If you get close to one item, a riddle to solve will appear.
-  When you overcome a riddle, you will find a word that is a password which opens a locker!
-  If you manage to open the 9 lockers, you will crack the VEEPEE QUEST code and get a reward!
Little clarification: The 10 first persons who arrive at the end of the game will get a special price!

 **Careful: you have until the 27th August to open the 9 lockers!**

Hints to find the hidden items:

-  In the Vêrone (France), look for something edible, sweet, crunchy and refined
-  In Milano (Italy), the hidden item celebrates the last big sports competition the country won
-  In Tel Aviv (Israël), you can ride on this item in a standing or lounging position
-  At Dusseldorf (Germany), find an allusion to an old tradition which is also a gymnastic figure
-  In Amsterdam (Netherlands), have a ride on this item
-  Go to Lausanne (Switzerland) office and look for something made with cocoa beans
-  Traditional polish dish fashioned in small, half moon portions (Poland)
-  In Brussels (Belgium), a famous symbol is hidden, not as tall as expected in real life
-  This item in Barcelona (Spain) can be useful to bring you shadow at the beach

Crack the code:

-  You just solved the riddles of the maps: Enter all your solutions on the padlock page*
-  When all the lockers are open: you WIN! 🍬

Would you be able to thwart the Veepee Quest's secret?

*If you close the tab of the padlock page, you lose your advancement!
Be sure you keep all the clues to enter them in a row.
